

*Your first choice for accurate and reliable information*

Imagine having a tool available at your desktop that offers a comprehensive collection of reliable information unavailable anywhere else. A tool that enables you to get the facts you need—and also helps you see how those facts fit together so you can make confident decisions. Imagine no more. See for yourself why millions of business professionals turn to Nexis® to gain unique insight and make informed decisions.

**Nexis is...**

### **EASY.**

**Web-Like Navigation. Easy, Automatic Source Selection. Natural Language Searching.**

With features like a tabular interface and a 'bread crumb trail' across the top of the page so you never get lost, Nexis® is easy to navigate, even for the non-information professional.

### **UNMATCHED.**

**Precise Source Selection. One-Step Search Refinement. Results Group Classification.**

The unmatched content LexisNexis® is famous for is brought to the surface and is easier than ever to search. You don't have to know all of the sources to find the answers you need.

### **FAST.**

**Easy Browse Features. 'Hit-to-Hit' Navigation. Saved History and Recent Searches.**

From the ability to focus a search on the results page to various delivery options, you can target your searches more quickly and efficiently incorporate that information into your workflow.

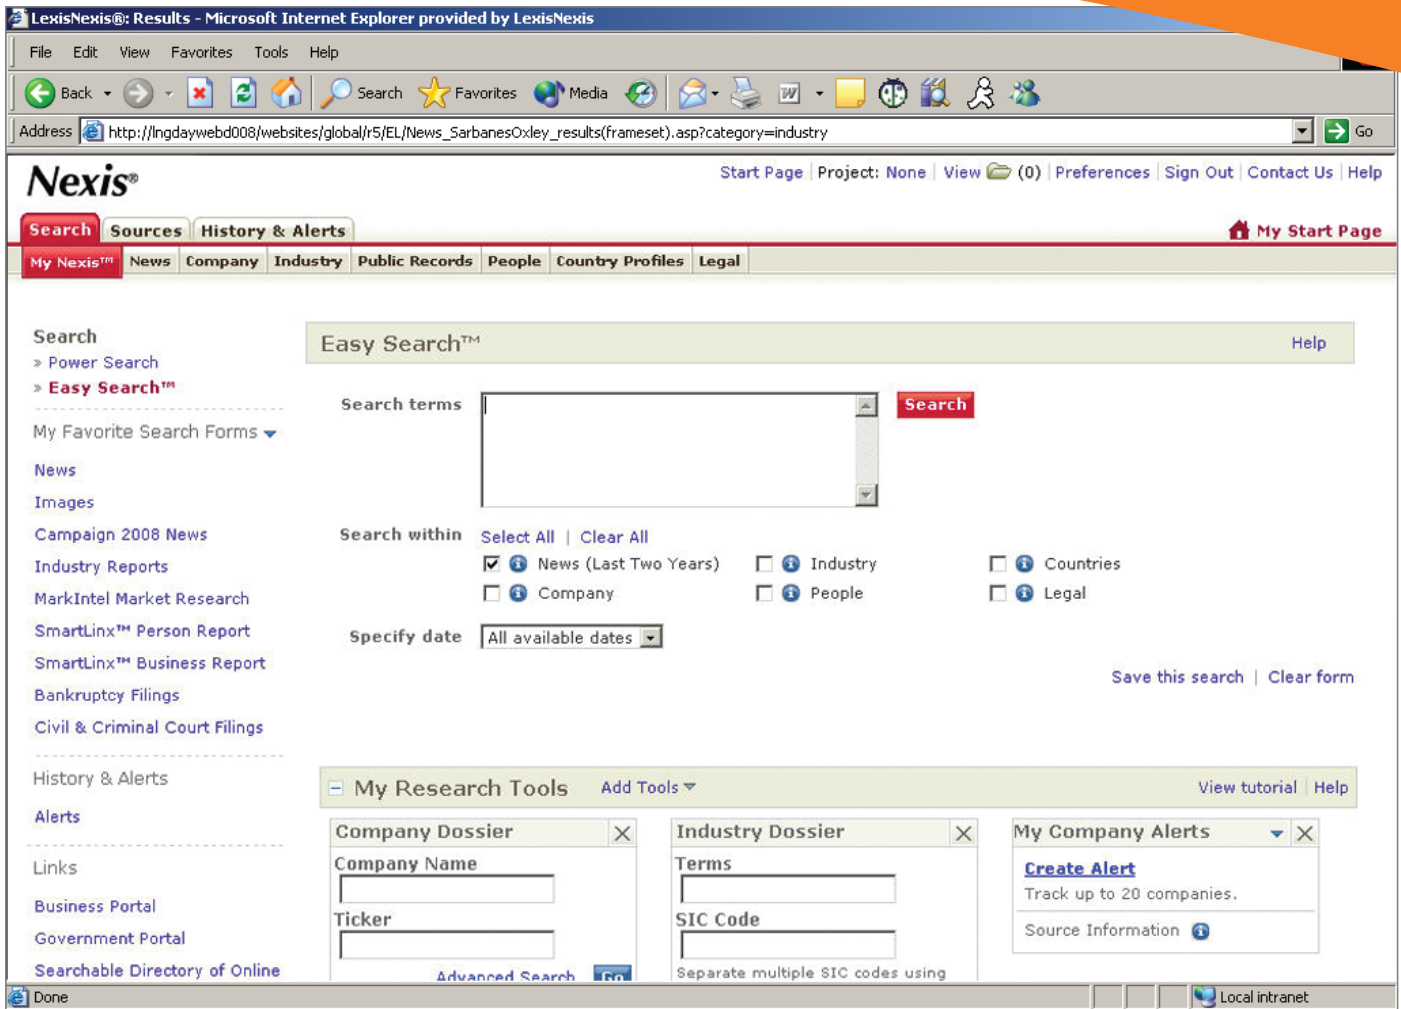

### **The Nexis service allows you to:**

- Explore company hierarchies and company structures with our advanced company look up tool, even if you don't know the entire company name
- Set any available search form as your default start page
- Create and name your own source selections, so they are easy to find and recognize later
- Automatically save recent searches and results
- Catch spelling errors with a 'Did you mean' spell-check

### **And Now...**

The new **My Nexis™** feature makes searching for news and business data even easier, faster and more personable. With a completely customizable selection of tools in one location, you are able to:

- Quickly search for the information you need
- Create alerts to stay up-to-date on news that interests you
- Organize **My Nexis** the way you want
- Easily link to your favorite search forms

LexisNexis has been the preferred choice for trusted information for over 30 years. With the click of a mouse, LexisNexis customers can access over 5 billion documents from 34,000 sources comprising a wide array of authoritative news and business information, legal documents and public records. We help businesses, industries and government agencies collect, manage, and use information more productively.
